- Cont. From Complaint Form

- Between Aug 2012 - Feb 2013, I filed multiple grievances due to there Statment "We do not cover this" stating I was in there Care (incarcerated) and I could not just "Go" on my own to the hospital to be treated approp^{SP}riately/adequatly and I was in pain (chronic pain). I was told for Chronic pain to buy pain relievers off of Commissionary.
- Upon returning to Taney County Jail in May 11th-12th 2014 I filed a grievance about my still ongoing pain for this same injury and asked for a thicker matE to sleep on. I was told they didnt recognize my injury and they don't do medical mats and told me to fill out a MSR and see the nurse for #7⁰⁰ if I was in pain. I did so, only to be told they have no records of any injury I might have gotten here and "NO" I could not see my medical records due to they belong to Taney County Jail and I'd have to petition the Courts to get them. Medical gave me 5 days of Ibpro. 800mg and charged me #7⁰⁰.
- Yet again Upon returning to Taney County Jail in Sept 2016 I filed for my medical records only to be told "no" and they only would be available through Court action. I stated to them the injury I recieved in 2012-2013 while

* Medical Injury While Incarcerated

in there care causes me chronic pain and even effects my sex life (Crystal Austin "Fiance is a witness). I told/Asked for adequate medical attention, I was denied I feel due to they only gave me Ibupro 800mg for 5 days as before and told me if the pain was chronic to buy pain relievers off of commissary. Also Stated they doubt anyone here Stated they wouldn't over injury. Jail Admin refused to give me Federal 1983 form and Federal Forma Pauperis forms, Courts & Public defenders Stated Jail Admin were supposed to keep these on hand. Have 2 request/grievance form on hand stating they need to see federal law/case law saying they have to have them and provide them.
